

## **FCALL Refund Policy**

FCALL encourages players to honor their commitment to their team to play baseball or softball. However, we understand that circumstances may occur which require a player to withdraw from playing. FCALL has adopted the following Registration Refund Policy:

1. Refunds will only be issued for medical reasons. A doctor's note must be provided.
2. Refunds will only be issued between the time of registration and the final day of registration for the current season. FCALL will refund the registration fee minus the administrative fees incurred (i.e. - database fees, online registration fees).
3. No refunds will be issued for any reason after the final day of registration for the current season.
4. The parent or guardian of the player must submit a letter to the Treasurer requesting a refund and stating the reason as to why the player is resigning from FCALL. No refunds will be processed without this letter.
5. Refunds will be issued if a team is folded by FCALL and there are no other teams in the division for the player to be added to.
